ACCESSITY SHAREHOLDERS MEETING ADJOURNED TO FEBRUARY 28, 2005 SHAREHOLDERS SHOULD CONTINUE TO SUBMIT THEIR PROXIES FOR THE COMPANY TO OBTAIN SHAREHOLDERS APPROVAL FOR ALL PROPOSALS RELATED TO THE SHARE EXCHANGE TRANSACTION

Coral Springs, FL, February 3, 2005....ACCESSITY CORP. [NASDAQ SMALLCAP: ACTY] reported today that due to the late mailing of the initial proxy materials and difficulties by shareholders to receive the information necessary to vote their shares, the 2004 Annual Meeting of Shareholders, originally scheduled for December 28, 2004 and adjourned to February 1, 2005, has again been adjourned to February 28, 2005. The meeting will be held at the Coral Springs Marriott Hotel, Golf Club and Convention Center, 11775 Heron Bay Boulevard, Coral Springs, Florida 33076 at 10:00 a.m., local time.

Shareholders who are beneficial holders through their brokers should continue to vote their proxies either through: (i) the Internet at www.proxyvote.com or (ii) by dialing (800) 454-8683. All you need is the Control Number from your proxy materials. All shareholders who are record holders and hold the shares in their own names are requested to mail in their proxy as soon as possible, or may send their signed proxy card via facsimile to (954) 752-6544.

Barry Siegel, Chairman of the Board and Chief Executive Officer stated: "We believe that the transaction between Accessity Corp., Pacific Ethanol, Inc., Kinergy Marketing, LLC and ReEnergy, LLC will greatly improve shareholder value. While we did receive enough votes for a quorum, the total number of shares cast in favor of all the proposals related to the transaction fell short of the required majority of all outstanding and issued shares by less than only 25,000 shares. Accessity management held off on reporting the current voting results until it had received from its transfer agent a complete tally of all votes cast.

We believe that some shareholders simply did not understand that for our transaction to close, all of the proposals had to be approved," Mr. Siegel said. "Also, we think some shareholders perhaps didn't vote because they found the proxy statement difficult, confusing, too long to read in its entirety or else because they assumed the deal would go through without their votes. Since virtually everyone who did vote wanted the deal to go through, we assume that other shareholders probably would vote the same way if given additional time. We are very close to receiving the requisite approval of all proposals. Therefore, I encourage all shareholders who have not yet voted, to immediately vote their shares."
