**Item 4. Purpose of Transaction**

Item 4 is amended and restated as follows:

The Reporting Persons became beneficial owners of more than 5% of the outstanding Common Stock in connection with the Aventine Purchase, when the Reporting Persons received shares of Common Stock, as well as shares of Non-Voting Common Stock, as consideration for their ownership of Aventine.

The Reporting Persons believe that the public markets, which represent only a small portion of the ethanol industry's ownership profile, currently undervalue the Common Stock of the Issuer (the "Securities") based on transactions in assets comparable to the Issuer's assets. The Reporting Persons believe that, in light of Issuer's substantial asset holdings, certain of which are currently unencumbered by debt (based on the Reporting Persons' review of the Issuer's public filings), and potential strategic interest in other ethanol related production assets, there are transactions that the Issuer can engage in to improve shareholder value. The Reporting Persons intend to engage in constructive dialogue with the Issuer's Board of Directors and third parties regarding various strategic alternatives including, but not limited to, capital structure optimization, asset monetization or a sale or merger of the Issuer (including, without limitation, transactions that would cause the Issuer to cease being a public company).

In addition, subject to a number of factors, including the market valuation of the Issuer, changes in market or industry conditions, other investment opportunities and capital available to the Reporting Persons, and the availability of Securities at prices that would make the purchase or sale of such Securities desirable, the Reporting Persons may endeavor (i) to increase or decrease their respective ownership in the Issuer through, among other things, the purchase or sale of Securities on the open market or in private transactions on such terms and at such times as the Reporting Persons may deem advisable and/or (ii) to enter into transactions that increase or decrease their economic exposure to the Common Stock without affecting their beneficial ownership of shares of Common Stock.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may from time to time in the future express their views to and/or meet with management, the Board of Directors of the Issuer or third parties. The Reporting Persons may in the future formulate plans or proposals regarding the Issuer's business, strategies, assets, corporate governance, Board of Directors composition, and other matters related to the Issuer that are referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons may also change their intention with any of the foregoing matters.

**Item 5. Interest in Securities of the Issuer**

Item 5 is amended and restated as follows:

(a)-(b) The information set forth in rows 7 through 13 of the cover pages to this Schedule 13D is incorporated by reference. The percentage set forth in row 13 is based on 38,982,931 outstanding shares of Common Stock as of March 14, 2016, as reported in the Issuer's Form 10-K/A filed on March 16, 2016. Certain private investment funds advised by the Investment Manager or an entity controlled by the Investment Manager, including the Special Situations Fund and the OC Fund, directly hold the shares of Common Stock. The Fund GP serves as general partner to certain of these private investment funds, including the Special Situations Fund and the OC Fund.

The Special Situations Fund, the OC Fund and certain other private investment funds advised by the Investment Manager or an entity controlled by the Investment Manager also directly hold shares of non-voting common stock, \$0.001 par value, of the Issuer (the "Non-Voting Common Stock"). The Special Situations Funds holds 1,797,147 shares of Non-Voting Common Stock; the OC Fund holds 1,350,577 shares of Non-Voting Common Stock; and certain other private investment funds advised by the Investment Manager or an entity controlled by the Investment Manager hold, in the aggregate, 391,744 shares of Non-Voting Common Stock. The Non-Voting Common Stock are convertible on a one-for-one basis into Common Stock (i) if the holder of such shares of Non-Voting Common Stock and any of its affiliates would not, after such conversion, beneficially own greater than 9.99% of the Company's outstanding shares of Common Stock and (ii) no earlier than sixty-one days after the Company receives a notice of conversion from the holder. Because the Reporting Persons cannot acquire such converted Common Stock within sixty days, they do not have beneficial ownership of such converted Common Stock.

(c) Schedule B sets forth all transactions with respect to the Common Stock effected by any Reporting Person and any person named in Schedule A during the past sixty days.

(d) The private investment funds advised by the Investment Manager or an entity controlled by the Investment Manager that directly hold the shares of Common Stock have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock (the "Economic Interest") reported as beneficially owned by the Investment Manager, the Fund GP, the Manager GP and the Managing Partners. The Economic Interest of each of the Special Situations Fund and the OC Fund exceeds five percent of the Common Stock.

(e) Not applicable
